## Breakout sessions (14:00-17:00)

### **Session 1:** 14:00-15:25

#### **Whistleblowing and whistleblowers and institutions – Balsha Room** Led by RAI – Regional Anti-corruption Initiative

This session aims to bring together executives and experts from the private and public sector, non-governmental sector and academia, with common interests, and discuss issues and ideas relating to whistleblowing as one of the most effective means to prevent, detect and fight fraud and corruption.

Please register here and select the option of this session: [Conference](#)

### **Session 2:** 14:00-16:00

#### **Ethics and Integrity in the public administration sector Forum – Abret Room** Hosted by IDM - Institute for Democracy and Mediation

The forum aims to present three policy documents drafted by the IDM expert team, based on this experience gained with public institutions, covering the following topics:

- o Integrity of the central government institutions: Challenge, and way forward.
- o Codes of conduct in the public administration sector: benefits and challenges.
- o The challenges hindering the promotion of a culture of integrity at local level government.

Please send an email at [info@idmalbania.org](mailto:info@idmalbania.org) to confirm your participation.

### **Session 3:** 14:00-16:00

#### **Electoral justice and electoral integrity-Blue Room** Hosted by IFES - International Foundation for Electoral Systems

Electoral and political rights are human rights, so along with sound election administration, access to justice is fundamental to protecting the ability of individuals to exercise their rights. Hence, this interactive panel discussion and videos will examine the importance of transparent and efficient electoral justice mechanisms in upholding election integrity.

### 15:40–17:00

#### **Schools for integrity – Balsha Room** Led by Council of Europe in Albania

The "Schools for integrity" session is organized by the Council of Europe in Albania in partnership with other partners. The main goal of this activity is to stimulate an informal and open discussion with high school student teams on some typical ethical dilemma. This session will be presented in a "world café" format where four high-school teams will discuss about two cases identifying ethical dilemma.
